

# The Men's Showers, Sauna & Steam Room Will Be CLOSED for Floor Retiling

## UPDATE!

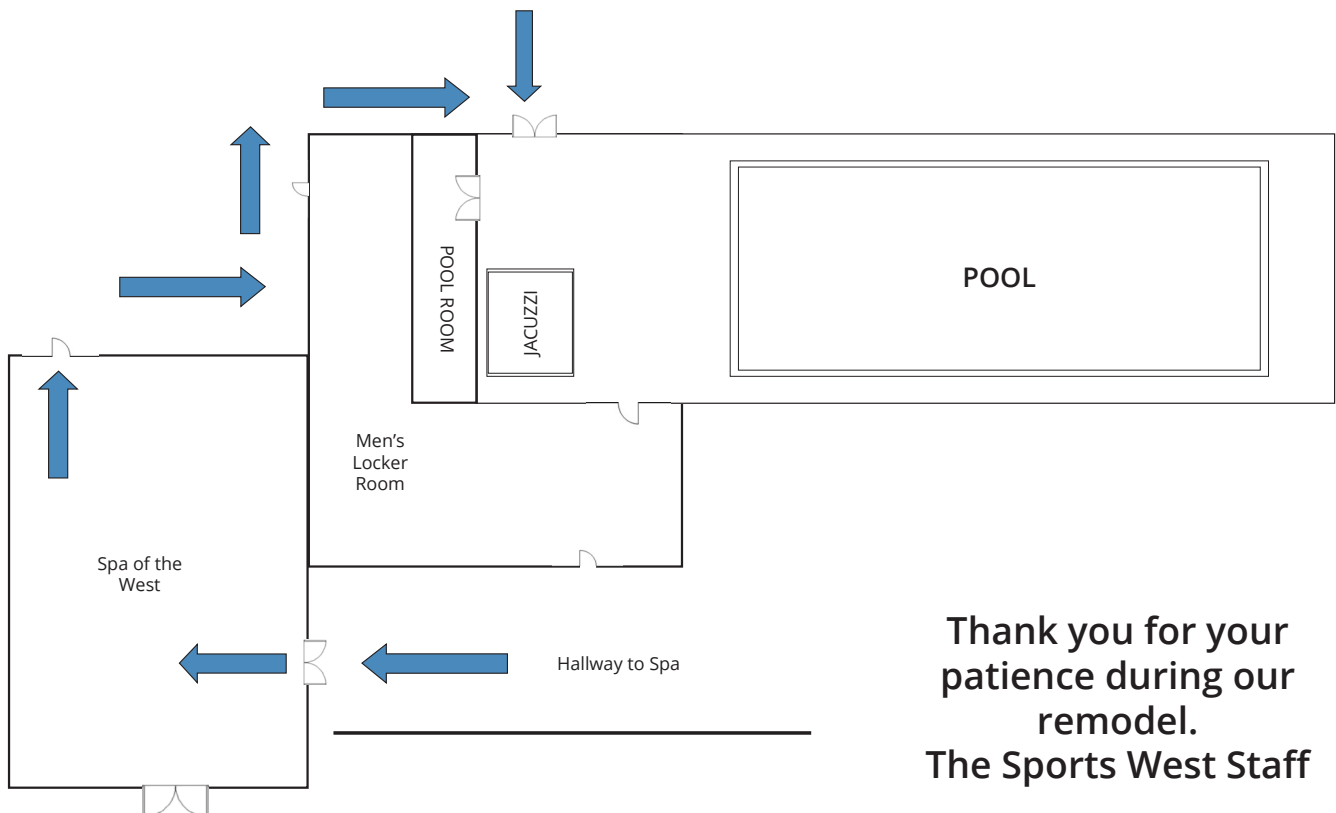

We've had to push the opening of the Men's showers, sauna & steam room to

**Thursday or Friday, JUNE 20<sup>th</sup>/21<sup>st</sup>**

This is due to the unfortunate fact that an unknown member went and used the shower despite it being closed for renovation. Thus, much of the work heretofore accomplished was un-done and now extends the remodel time.

Access to the pool for men who wish to use the pool and hot tub will be available from **8 AM** until **8 PM** through Spa of the West, using pool entrance on Walts Lane. (See Map Below)

***Pool access for men will not available from 8 PM - 8 AM  
(Lockers are accessible at all times)***

Thank you for your  
patience during our  
remodel.
